Misty,

I can't open this document. I had one of our computer techs check and my  
Adobe is up to date, so that is not the problem. Are you able to open this  
document?

I've attached the accord form. Katherine tried to upload to track4la site and the  
site is out of date with the current version of Adobe. The track4la techs need to  
update the adobe program. I hope that it submitted to the site.
